BOY SCOUTS OF AMERICA
HEART OF NEW ENGLAND COUNCIL

2023 Summer Camp Medical Form Instructions

BSA standards and state laws require accurate medical records for campers and staff. They are also critical to ensure timely, effective care should you or your Scout become sick or injured while at camp. All campers, adult leaders and staff MUST complete the BSA Annual Health and Medical Record form annually. Forms expire after the last day of the 12th calendar month from the physical exam date.

Without a completed medical form, Scouts, leaders, parents, and visitors WILL NOT PARTICIPATE in many camp activities including (but not limited to) swimming, boating, climbing, COPE, and sports, and may not remain in camp longer than 72 hours.

Read the medical form carefully. The next page highlights areas that are commonly incomplete. Please note the following:

Part A

This page contains an important risk advisory, informed consent, and release. Please read this advisory carefully. The participant and parents (if participant is under 18) must sign to acknowledge agreement with the information on this page. This page also includes space to list adults who are authorized (or prohibited) to take this participant to/from events.

Part B

Part B contains the participant's contact and insurance information and general health history. Page 2 of this section contains information about medication and allergies. Please complete these sections carefully and accurately. The parents and health care professional must sign to authorize all medication **including non-prescription medication.**

Part C

Part C is the annual physical. This page should be completed and signed by the health care professional conducting the physical examination. Physicals are required for all events lasting longer than 72 hours. Physicals expire after the last day of the 12th calendar month from the physical exam date (similar to car inspection stickers)

Part D-NH

Part D-NH is unique to Camp Wanocksett. This page provides permission to possess & use epinephrine auto-injectors and/or asthma inhalers. The Scout's health care professional and the parent/guardian must sign the bottom of this page. This Is required by NH state regulations; this page is not required for Scouts attending any camps in Massachusetts.

Part D-MA

Part D-MA is unique to Treasure Valley and HNE's Cub Scout Day Camp Programs. This page includes authorizations for Scouts to participate in Shooting Sports activities during summer camp as well as be provided with specific over-the-counter medications. A parent/guardian must sign the bottom of this page. These items are required by MA state regulations; this page is not required for Scouts attending Camp Wanocksett.

Common Mistakes

- Missing parent/guardian signature (Part A)
- Missing emergency contact information (Part B)
- Incomplete medication information (Part B)
- Missing signature for non-prescription medication (Part B)
- Missing medical insurance card (Part B)
- Missing complete immunization record (Part B)
- Missing physician signature (Part B & C)
- Physical exam more than 12 months ago (Part C)

NOTE: NH State regulations require that a copy of your complete immunization record be attached to your medical form. MA State regulations require written documentation showing immunizations are up to date in accordance with the most current CDC Immunization Schedules.

Only submit a **COPY** of your medical form. Keep the original for use at other Scouting activities.

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information [illegible] local council, [illegible] participants [illegible] to [illegible] including [illegible] camp [illegible] health [illegible] information, [illegible] participant, [illegible] of [illegible] consent [illegible] sharing [illegible] activities. [illegible] activities, on my [illegible] behalf and/or on behalf of my child, I hereby fully and completely release and waive [illegible] all claims for personal injury, death, or loss that may arise against the Boy Scouts of [illegible], the local council, the activity coordinators, and all employees, volunteers, [illegible], or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

Every person who furnishes any BB device to any minor, without the express or implied permission of the parent or legal guardian of the minor, is guilty of a misdemeanor. (California Penal Code Section 19915(a)) My signature below on this form indicates my permission.

I give permission for my child to use a BB device. (Note: Not all events will include BB devices.)

☐ **Checking this box indicates you DO NOT want your child to use a BB device.**

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.

List participant restrictions, if any: ☐ None

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. BOY SCOUTS OF AMERICA®
HEART OF NEW ENGLAND COUNCIL

Part D-MA: Supplement *Required for all youth participants of all programs at Camp Split Rock and Treasure Valley*

Camper's Name: **DOB**:

Shooting Sports - Compliance to State Law : Authorized use of firearms by a minor

The Heart of New England Council adheres to all applicable laws and operates under the governance of BSA National Standards as well as MA State Health Code. As a part of the BSA program, the council operates several safe shooting sports ranges for Scouts to participate in BB shooting (Cub Scouts, BSA), rifle shooting & shotgun (Scouts, BSA & Venturing, BSA), and archery (All Programs). In order to meet the Mass General Laws Chapter 140 section 130 the Council requires parental permission to participate in such activities.

MA General Laws Chapter 140, Section 130 ½ "Lawfully furnishing weapons to minors for hunting, recreation, instruction and participation in shooting sports" stipulates the following:

> *"Notwithstanding section 130 or any general or special law to the contrary, it shall be lawful to furnish a weapon to a minor for hunting, recreation, instruction and participation in shooting sports while under the supervision of a holder of a valid firearm identification card or license to carry appropriate for the weapon in use; provided, however, that the parent or guardian of the minor granted consent for such activities."*

☐ **I hereby AUTHORIZE my child, named above, to participate in all events during summer camp including (if age appropriate) use of the shooting sports program areas (for rifle and shotgun under supervision of an FID instructor).**

☐ **I DO NOT AUTHORIZE my child, named above, to participate in shooting sports activities. However, my child is authorized to participate in all other events and activities of the camp.**

Over-the-Counter Medications

The following over-the-counter medications will be available through the health officer if a Scout becomes ill during camp. Please check the medications your child may be given if needed. Medicine will be administered per package instructions. Please send your child's own supply of over the counter medicine (in the original container) if they are a normal routine or taken daily.

NOTE: Failure to complete this section or to authorize any OTC Medication can result in an uncomfortable experience at camp. If you have any questions regarding administration of medications, please contact camp personnel.

Check all that are authorized:

☐ Acetaminophen (Tylenol)	☐ Pepto Bismol	☐ Bug Spray	☐ Sub Burn Cream (Aloe)
☐ Ibuprofen (Motrin)	☐ Decongestant	☐ After Bite	☐ Calamine Lotion
☐ Benadryl/Antihistamine	☐ Antacid	☐ Eye Drops	☐ Antibiotic Ointment

** **Health Care Consultant** at a recreational camp is a Massachusetts licensed physician, certified nurse practitioner, or a physician assistant with documented pediatric training. **Health Care Supervisor** is a staff person of a recreational camp for children who is 18 years old or older; is responsible for the day to day operation of the health program or component, and is a Massachusetts licensed physician, physician assistant, certified nurse practitioner, registered nurse, licensed practical nurse, or other person specially trained in first aid.

105 CMR 430 References

105 CMR 430.160(A): Medication prescribed for campers shall be kept in original containers bearing the pharmacy label, which shows the date of filling, the pharmacy name and address, the filling pharmacist's initials, the serial number of the prescription, the name of the patient, the name of the prescribing practitioner, the name of the prescribed medication, directions for use and cautionary statements, if any, contained in such prescription or required by law, and if tablets or capsules, the number in the container. All over the counter medications for campers shall be kept in the original containers containing the original label, which shall include the directions for use. **(M.G.L. c. 94C § 21).**

105 CMR 430.160(C): Medication shall only be administered by the health care supervisor or by a licensed health care professional authorized to administer prescription medications. If the health care supervisor is not a licensed health care professional authorized to administer prescription medications, the administration of medications shall be under the professional oversight of the health care consultant. The health care consultant shall acknowledge in writing a list of all medications administered at the camp. Medication prescribed for campers brought from home shall only be administered if it is from the original container, and there is written permission from the parent/guardian.

105 CMR 430.160(D): A written policy for the administration of medications at the camp shall identify the individuals who will administer medications. This policy shall:

(1) List individuals at the camp authorized by scope of practice (such as licensed nurses) to administer medications; and/or other individuals qualified as health care supervisors who are properly trained or instructed, and designated to administer oral or topical medications by the health care consultant.

(2) Require health care supervisors designated to administer prescription medications to be trained or instructed by the health care consultant to administer oral or topical medications.

(3) Document the circumstances in which a camper, Heath Care Supervisor, or Other Employee may administer epinephrine injections. A camper prescribed an epinephrine auto-injector for a known allergy or pre-existing medical condition may:

a) Self-administer and carry an epinephrine auto-injector with him or her at all times for the purposes of self-administration if:

1) the camper is capable of self-administration; and

2) the health care consultant and camper's parent/guardian have given written approval

(b) Receive an epinephrine auto-injection by someone other than the Health Care Consultant or person who may give injections within their scope of practice if:

1) the health care consultant and camper's parent/guardian have given written approval; and

2) the health care supervisor or employee has completed a training developed by the camp's health care consultant in accordance with the requirements in 105 CMR 430.160.

(4) Document the circumstances in which a camper may self-administer insulin injections. If a diabetic child requires his or her blood sugar be monitored, or requires insulin injections, and the parent or guardian and the camp health care consultant give written approval, the camper, who is capable, may be allowed to self-monitor and/or self-inject himself or herself. Blood monitoring activities such as insulin pump calibration, etc. and self-injection must take place in the presence of the properly trained health care supervisor who may support the child's process of self-administration.

105 CMR 430.160(F): The camp shall dispose of any hypodermic needles and syringes or any other medical waste in accordance with 105 CMR 480.000: Minimum Requirements for the Management of Medical or Biological Waste.

105 CMR 430.160(I): When no longer needed, medications shall be returned to a parent or guardian whenever possible. If the medication cannot be returned, it shall be disposed of as follows:

(1) Prescription medication shall be properly disposed of in accordance with state and federal laws and such disposal shall be documented in writing in a medication disposal log.

(2) The medication disposal log shall be maintained for at least three years following the date of the last entry.
