The Distinguished Citizen Award is presented by Heart of New England Council to community leaders who provide outstanding civic service to adults and/or youth in the community. Those who receive the award are not necessarily Scouting volunteers, but rather individuals who personify the Scouting ideals of active and engaged citizenship, outstanding moral fiber, and a commitment to helping others at all times.

Proceeds from this event help equip thousands of young people in over 60 central MA communities with the confidence, leadership, skills and resources to reach their full potential.
