

Tomorrow's Leaders Start in Scouting

Your participation supports Scouting programs for almost 4,000 young people in 170 Cub Scout packs, Scouts BSA troops, Venturing crews, and Exploring posts in more than 60 communities across Central Massachusetts.

A Tufts University study confirmed that Scouts are more likely than their non-Scout peers to embrace positive social values and exhibit growth in areas of cheerfulness, helpfulness, obedience, kindness, trustworthiness, and leadership.

The more time that youth spend in Scouting, the better the outcomes in character development.

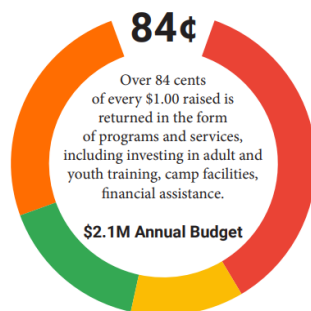

The mission of Scouting America is to prepare young people to make ethical and moral choices over their lifetime by instilling in them the values of the Scout Oath and Law.
