Scouting America
Heart of New England Council

2026 Summer Camp Medical Form Instructions

Scouting America standards and state laws require accurate medical records for campers and staff. They are also critical to ensure timely, effective care should you or your Scout become sick or injured while at camp. All campers, adult leaders and staff MUST complete the Scouting America Annual Health and Medical Record form annually. Forms expire after the last day of the 12th calendar month from the physical exam date (similar to car inspection stickers).

Without a completed medical form, Scouts, leaders, parents, and visitors WILL NOT PARTICIPATE in many camp activities including (but not limited to) swimming, boating, climbing, COPE, and sports, and may not remain in camp longer than 72 hours.

Read the medical form carefully. The next page highlights areas that are commonly incomplete. Please note the following:

Part A

This page contains an important risk advisory, informed consent, and release. Please read this advisory carefully. The participant and parents (if participant is under 18) must sign to acknowledge agreement with the information on this page. This page also includes space to list adults who are authorized (or prohibited) to take this participant to/from events.

Part B

Part B contains the participant's contact and insurance information and general health history. Page 2 of this section contains information about medication and allergies. Please complete these sections carefully and accurately. The parents and health care professional must sign to authorize all medication **including non-prescription medication.**

Part C

Part C is the annual physical. This page should be completed and signed by the health care professional conducting the physical examination. If your health care professional generates a form for their office that is used for sports, schools, or camp that includes an e-Signature, everything listed on Part C, and clears the participant to participate in activities without restrictions, attach it to the medical form - the physician does NOT have to sign part C in this case. Physicals are required for all events lasting longer than 72 hours.

Part D-NH (Only Applicable to Programs at Camp Wanocksett)

Part D-NH is unique to Camp Wanocksett. This page provides permission to possess & use epinephrine auto-injectors and/or asthma inhalers. The Scout's health care professional and the parent/guardian must sign the bottom of this page. This Is required by NH state regulations; this page is not required for Scouts attending any camps in Massachusetts.

Part D-MA (Only Applicable to Programs at Treasure Valley)

Part D-MA is unique to Treasure Valley and HNE's Cub Scout Day Camp Programs. This page includes authorizations for Scouts to participate in Shooting Sports activities during summer camp as well as be provided with specific over-the-counter medications. A parent/guardian must sign the bottom of this page. These items are required by MA state regulations; this page is not required for Scouts attending Camp Wanocksett.

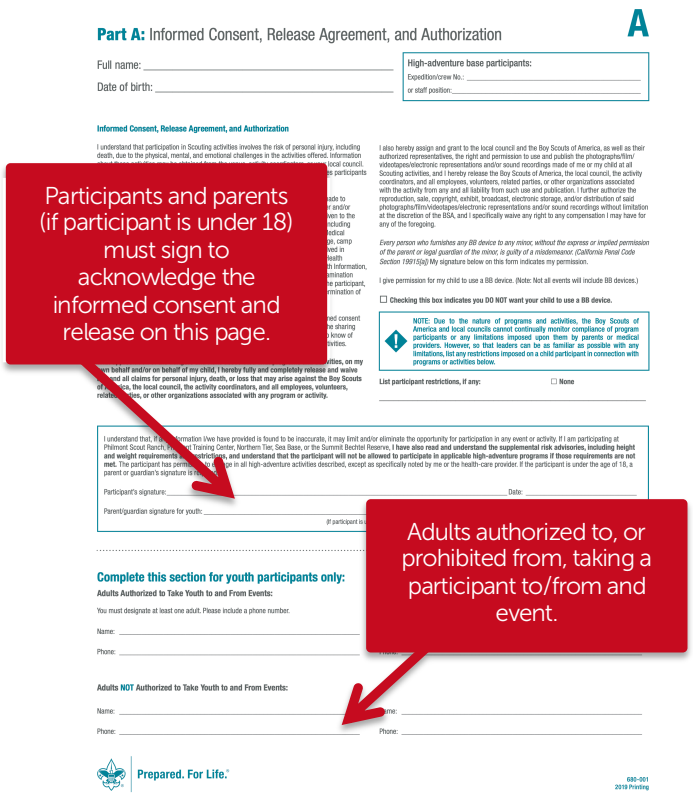
Common Mistakes

- Missing parent/guardian signature (Part A)
- Missing emergency contact information (Part B)
- Incomplete medication information (Part B)
- Missing signature for non-prescription medication (Part B)
- Missing medical insurance card (Part B)
- Missing complete immunization record (Part B)
- Missing physician signature (Part B & C)
- Physical exam more than 12 months ago (Part C)

NOTE: NH State regulations require that a copy of your complete immunization record be attached to your medical form. MA State regulations require written documentation showing immunizations are up to date in accordance with the most current CDC Immunization Schedules.

Only submit a **COPY** of your medical form. Keep the original for use at other Scouting activities.

Part A



Part A: Informed Consent, Release Agreement, and Authorization

A

Full name: _____

Date of birth: _____

High-adventure base participants:

Expedition/crew No.: _____

or staff position: _____

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

Every person who furnishes any BB device to any minor, without the express or implied permission of the parent or legal guardian of the minor, is guilty of a misdemeanor. (California Penal Code Section 19915(a)) My signature below on this form indicates my permission.

I give permission for my child to use a BB device. (Note: Not all events will include BB devices.)

☐ **Checking this box indicates you DO NOT want your child to use a BB device.**

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.

List participant restrictions, if any: ☐ None

I understand that, if any information I/we have provided is found to be inaccurate, it may limit and/or eliminate the opportunity for participation in any event or activity. If I am participating at Philmont Scout Ranch, in Northern Tier, Sea Base, or the Summit Bechtel Reserve, **I have also read and understand the supplemental risk advisories, including height and weight requirements and restrictions, and understand that the participant will not be allowed to participate in applicable high-adventure programs if those requirements are not met.** The participant has permission to engage in all high-adventure activities described, except as specifically noted by me or the health-care provider. If the participant is under the age of 18, a parent or guardian's signature is required.

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

Every person who furnishes any BB device to any minor, without the express or implied permission of the parent or legal guardian of the minor, is guilty of a misdemeanor. (California Penal Code Section 19915[a]) My signature below on this form indicates my permission.

I give permission for my child to use a BB device. (Note: Not all events will include BB devices.)

Physician's Address:	

Parent/Guardian's Section

I hereby give permission for the camper named above to keep the above-named medication in his/her possession while attending a Heart of New England Council Summer Camp. I will also provide a second auto-injector and/or asthma inhaler that, **by law**, must be kept at the health lodge for emergencies.

Parent/Guardian Signature:	Date:

Scouting America
Heart of New England Council

Part D-MA: Supplement

Required for all youth participants at Treasure Valley and HNE's Cub Scout Day Camp Programs.

This form is only applicable to campers under the age of 18 attending Treasure Valley

Camper's Name: **DOB**:

Shooting Sports - Compliance to State Law : Authorized use of firearms by a minor

The Heart of New England Council adheres to all applicable laws and operates under the governance of BSA National Standards as well as MA State Health Code. As a part of the BSA program, the council operates several safe shooting sports ranges for Scouts to participate in BB shooting (Cub Scouts, BSA), rifle shooting & shotgun (Scouts, BSA & Venturing, BSA), and archery (All Programs). In order to meet the Mass General Laws Chapter 140 section 130 the Council requires parental permission to participate in such activities.

MA General Laws Chapter 140, Section 130 ½ "Lawfully furnishing weapons to minors for hunting, recreation, instruction and participation in shooting sports" stipulates the following:

> *"Notwithstanding section 130 or any general or special law to the contrary, it shall be lawful to furnish a weapon to a minor for hunting, recreation, instruction and participation in shooting sports while under the supervision of a holder of a valid firearm identification card or license to carry appropriate for the weapon in use; provided, however, that the parent or guardian of the minor granted consent for such activities."*

☐ **I hereby AUTHORIZE my child, named above, to participate in all events during summer camp including (if age appropriate) use of the shooting sports program areas (for rifle and shotgun under supervision of an FID instructor).**

☐ **I DO NOT AUTHORIZE my child, named above, to participate in shooting sports activities. However, my child is authorized to participate in all other events and activities of the camp.**

Over-the-Counter Medications

The following over-the-counter medications will be available through the health officer if a Scout becomes ill during camp. Please check the medications your child may be given if needed. Medicine will be administered per package instructions. Please send your child's own supply of over the counter medicine (in the original container) if they are a normal routine or taken daily.

NOTE: Failure to complete this section or to authorize any OTC Medication can result in an uncomfortable experience at camp. If you have any questions regarding administration of medications, please contact camp personnel.

Check all that are authorized:

☐ Acetaminophen (Tylenol)	☐ Pepto Bismol	☐ Bug Spray	☐ Sub Burn Cream (Aloe)
☐ Ibuprofen (Motrin)	☐ Decongestant	☐ After Bite	☐ Calamine Lotion
☐ Benadryl/Antihistamine	☐ Antacid	☐ Eye Drops	☐ Antibiotic Ointment
☐ Anti-Diarrhea	☐ Swimmer's Ear	☐ Sun Block

I hereby authorize my child to **self-administer** their prescribed epinephrine auto-injector, with approval of the health care consultant:

☐ Yes ☐ No ☐ Not applicable

I hereby authorize the designated healthcare supervisor who is a **licensed healthcare professional** authorized by their scope of practice to administer epinephrine auto-injectors, with approval of the health care consultant, to administer an epinephrine auto-injector to my child:

☐ Yes ☐ No ☐ Not applicable

I hereby authorize the designated healthcare supervisor who is NOT a **licensed healthcare professional** authorized by their scope of practice to administer epinephrine auto-injectors, but who is specifically trained in allergy awareness and epinephrine administration with approval of the health care consultant, to administer an epinephrine auto-injector to my child:

☐ Yes ☐ No ☐ Not applicable

Inhaler authorization

I hereby authorize my child to **self-administer** their prescribed inhaler, with approval of the health care consultant:

☐ Yes ☐ No ☐ Not applicable

Medication for diabetes care authorization

I hereby authorize my child to **self-monitor and self-administer** medication for diabetes care in the presence of the health care supervisor, and with approval of the health care consultant:

☐ Yes ☐ No ☐ Not applicable

I hereby authorize the designated healthcare supervisor who is a **licensed healthcare professional** authorized by their scope of practice to administer medications for diabetes care, with approval of the health care consultant, to administer diabetes medications to my child:

☐ Yes ☐ No ☐ Not applicable

Parent/Guardian Authorization

I have read and understand the authorizations that I have provided above for medications that are administered to my child at camp. I acknowledge receipt of the regulation references below that licensed camps must follow when administering medications at camp.

Parent/Guardian Name:	
Signature of Parent/Guardian:	Date:

105 CMR 430.000 references

105 CMR 430.020 Definitions

Health Care Consultant means a Massachusetts licensed physician, certified nurse practitioner, or physician assistant.

Health Care Supervisor means a person on the staff of a recreational camp for children who is 18 years of age or older and who is responsible for the day to day operation of the health program or component. The Health Care Supervisor shall be a Massachusetts licensed physician, physician assistant, nurse, or other person specially trained in accordance with 105 CMR 430.160 and has a current CPR and First Aid certificate.

105 CMR 430.160(A): Medication prescribed for campers shall be kept in original containers bearing the pharmacy label, which shows the date of filling, the pharmacy name and address, the filling pharmacist's initials, the serial number of the prescription, the name of the patient, the name of the prescribing practitioner, the name of the prescribed medication, directions for use and cautionary statements, if any, contained in such prescription or required by law, and if tablets or capsules, the number in the container. All over the counter medications for campers shall be kept in the original containers containing the original label, which shall include the directions for use. (M.G.L. c. 94C, § 21).

105 CMR 430.160(B): All medication prescribed for campers shall be kept in a secure manner (e.g., locked storage or in the controlled possession of the individual responsible for administering them, according to American Camp Association Accreditation Process Guide). Medications requiring refrigeration shall be stored at temperatures of 36°F to 46°F in accordance with Massachusetts Board of Registration in Pharmacy guidance regarding proper storage of refrigerated and frozen medications.

105 CMR 430.160(C): Except as otherwise provided in 105 CMR 430.160(D), (E), and (H), medication shall only be administered by the health care supervisor or by a licensed health care provider authorized to administer prescription medications under M.G.L. c. 94C, § 9. If the health care supervisor is not a licensed health care professional authorized to administer prescription medications, the administration of medications shall be under the professional oversight of the health care consultant. The health care consultant shall acknowledge in writing a list of all medications administered at the camp. Medication prescribed for campers brought from home shall only be administered if it is from the original container, and there is written permission from the parent/guardian.

105 CMR 430.000 references (continued)

105 CMR 430.160(E): Policy on Administration of Medications. All camps shall have a written policy for the administration of medications at the camp. This policy shall:

(1) List individuals at the camp who are:
  (a) Health care consultants or designated health care supervisors authorized by scope of practice to administer medications;
  (b) Qualified health care supervisors who are properly trained and designated to administer oral or topical medications by the health care consultant;
  (c) Authorized to administer epinephrine auto-injectors by the health care consultant; and
  (d) Authorized to administer medications for diabetes care at a medical specialty camp pursuant to 105 CMR 430.159(F).

(2) Require health care supervisors designated to administer prescription medications to be trained by the health care consultant to administer oral or topical medications in accordance with 105 CMR 430.160(I).

(3) Require individuals who are authorized to administer epinephrine auto-injectors under 105 CMR 430.160(F) to be specifically trained to administer epinephrine auto-injectors under the direction of the health care consultant in accordance with 105 CMR 430.160(I).

(4) Require individuals who are authorized to administer medications for diabetes care at a medical specialty camp under 105 CMR 430.159(F) to be specifically trained by the health care consultant to administer medications for diabetes care and shall only be administered under the direct supervision of a health care provider listed in 105 CMR 430.159(E).

105 CMR 430.160(F): Policy on Administration of Epinephrine Auto-Injectors. A camp may allow a camper who has a prescription for an epinephrine auto-injector for a known allergy or pre-existing medical condition to:

(1) Self-administer and possess an epinephrine auto-injector at all times for the purposes of self-administration if:
  (a) the camper is capable of self-administration; and
  (b) the health care consultant and camper's parent/guardian have given written approval.

(2) Receive an epinephrine auto-injection by the health care consultant, the health care supervisor, or any other camp staff if:
  (a) the health care consultant and camper's parent/guardian have given written approval and, for any health care supervisor or other camp staff who are not a licensed health care provider, the camper's parent/guardian has given written informed consent for unlicensed staff to administer an epinephrine auto-injector to the camper as needed; and
  (b) the unlicensed health care supervisor and other camp staff who may administer epinephrine auto-injectors have completed a training developed by the camp's health care consultant in accordance with the requirements in 105 CMR 430.160(I).

105 CMR 430.000 references (continued)

105 CMR 430.160(G): Administration of Medications for Diabetes Care. A camp may allow a camper or individual authorized under 105 CMR 430.159(F), to monitor blood sugar or administer medication for diabetes care, including insulin injections. If a diabetic camper requires their blood sugar be monitored, or requires medication for diabetes care, the camp may:

(1) Allow a camper, if capable, to self-monitor and/or self-administer provided that:
   (a) Blood monitoring activities such as insulin pump calibration, etc. and self-administration must take place in the presence of the properly trained health care supervisor or individual authorized under 105 CMR 430.159(F) who may support the camper's process of self-administration; and
   (b) The health care consultant and camper's parent/guardian have given written informed consent for the camper to self-administer and self-monitor.

105 CMR 430.160(H): Policy on Use of Inhalers. A camp may allow a camper who has a prescription for an inhaler for a pre-existing medical condition to self-administer and possess an inhaler at all times for the purposes of self-administration if:

(1) the camper is capable of self-administration; and
(2) the health care consultant and camper's parent/guardian have given written approval.

105 CMR 430.160(I): Required Training for Medication Administration.

(1) The required training for unlicensed health care supervisors designated to administer oral and topical prescription medications pursuant to 105 CMR 430.160(E)(2) shall:
   (a) be provided by the health care consultant; and
   (b) at a minimum, include content standards and test of competency developed and approved by the Department.
(2) The required training for unlicensed health care supervisors and other camp staff designated to administer an epinephrine auto-injector pursuant to 105 CMR 430.160(F)(2)(b) shall:
   (a) be provided under the direction of the health care consultant; and
   (b) at a minimum, include content standards and a test of competency developed and approved by the Department.
(3) The required training for unlicensed health care supervisors supporting a child's process of self-monitoring and/or self-administering medications for diabetes care shall:
   (a) be provided by the health care consultant; and
   (b) include the signs and symptoms of hypo- or hyperglycemia, and appropriate diabetic plan management.

105 CMR 430.160(J): The health care consultant shall:

(1) document the training and test of competency of unlicensed health care supervisor(s) designated to assume the responsibility for prescription medication administration; and
(2) provide a training review and informational updates at least annually for those camp staff authorized to administer an epinephrine auto-injector pursuant to 105 CMR 430.160(F); and
(3) document the training and test of competency of unlicensed individuals authorized under 105 CMR 430.159(F) to administer medications for diabetes care at a medical specialty camp.

105 CMR 430.000 references (continued)
105 CMR 430.160(K): When no longer needed, medications shall be returned to a parent or guardian whenever possible. If the medication cannot be returned, it shall be disposed of as follows: (1) Prescription medication shall be properly disposed of in accordance with state and federal laws and such disposal shall be documented in writing in a medication disposal log. (2) The medication disposal log shall be maintained for at least three years following the date of the last entry.
105 CMR 430.160(L): Any hypodermic needles and syringes or any other medical waste shall be disposed of in accordance with 105 CMR 480.000: *Minimum Requirements for the Management of Medical or Biological Waste.*
