

Tomorrow's Leaders Start in Scouting

Your participation supports Scouting programs for 4,000 young people in 170 Cub Scout packs, Scouting troops, Venturing crews, and Exploring posts in more than 60 communities across Central Massachusetts.

A 2015 Tufts University study showed that Scouts are more likely than their non-Scout peers to embrace positive social values and exhibit positive growth in areas of cheerfulness, helpfulness, obedience, kindness, helpfulness, and trustworthiness.

The more time that youth spend in Scouting, the better the outcomes in character development.

The mission of Scouting America is to prepare young people to make ethical and moral choices over their lifetime by instilling in them the values of the Scout Oath and Law.
